

SCHOLARSHIP PROCEDURE

NDT SUMMER INTENSIVE 2022

NDT Summer Intensive seeks to reduce inequalities and access in dance education. Therefore, no dancer should feel deterred from applying to NDT Summer Intensive due to lack of financial means. NDT offers scholarship possibilities for those dancers who otherwise would not have the opportunity to attend. We can provide scholarships due to the generous support of sponsors and guest families.

A scholarship for NDT Summer Intensive 2022 can fund: (partial or full) course fee, travel costs, living expenses and/or offers housing with a guest family. Scholarships are granted to participants who prove to be in financial need. Only participants who match the criteria for application below will be considered for a scholarship.

NDT can offer a limited amount of (partial and full) scholarships. Therefore, if your participation in the course depends on external funding, we highly recommend you to also apply for a scholarship elsewhere.
