About the scholarships

NDT Summer Intensive aims to make dance education accessible to all. Thanks to the support of sponsors and guest families, NDT offers a limited number of full and partial scholarships to dancers with proven financial need.

A scholarship may cover:

- (Partial or full) course fee
- Travel costs
- Partial meal allowance
- Housing in The Social Hub or with a guest family

If your participation depends on external funding, we advise you to also apply for scholarships elsewhere.

Guest families

Each year, generous guest families host NDT SI participants in their homes, offering a private guest room and local support. NDT will connect selected scholarship recipients with a suitable host family and remain the point of contact before and during the stay.
