

SCHOLARSHIP PROCEDURE

NDT SUMMER INTENSIVE 2019

A scholarship for NDT Summer Intensive 2019 funds (part of) the course fee and/or offers housing in a guest home. The scholarships are granted to participants who are considered talented and prove to be in financial need. Only participants who match both criteria will be considered for a scholarship.

NDT can offer a limited amount of scholarships. Therefore, if your participation in the course depends on external funding, we highly recommend you to also apply for a scholarship elsewhere.

Step 1: Apply for a scholarship

Audition form

On your online audition form for NDT Summer Intensive you can indicate that you want to apply for a scholarship.

Motivation & recommendation letter

When you apply for a scholarship you need to provide NDT with:

- >> A motivation letter (written by yourself)
- >> At least one letter of recommendation (written by someone other than yourself)

You send in both letters together with your online audition form. Make sure you upload them before you send the form. In the letters we want to be informed about your personal connection to NDT, why you want to participate in our Summer Intensive and what your future vision is. The letter also must include a short description of your financial situation. All letters must be uploaded in PDF format and written in English (or Dutch).

Step 2: Selection

Our artistic team will grant the scholarships based on talent and your financial situation. Incomplete scholarship requests will not be considered. If you are selected to participate in the course but you are not selected for a (full) scholarship, we will send you an invoice for the course fee (and accommodation).

Step 3: Scholarship Support Team

If you receive a scholarship you will be part of the Scholarship Support Team during the course. Tasks and activities include, for example:

- A diner with all the sponsors
- Your sponsor/guest family comes to watch your class
- Your input for publications during the course (interviews, video, short blog, etc.)
- Assisting the production team during the course
